PAON is a collection of outdoor chairs made in powder coated steel combined with beautiful lamellas. The collection includes a dining chair, a rocking chair, a lounge, a bar chair and a two-seater bench.

PAON is French for Peacock and this bird worked as inspiration in the design of PAON chairs – take a look at the back and you will notice. PAON is light Scandinavian in its design but with a touch of French Victorian romance. All PAON chairs are blessed with a seating comfort you would not expect from a metal chair.

The chairs are stackable and comes in 5 appealing colors.
