Point natural teak frames are made with durable, high quality grade A Teak. They are hand crafted and there is some natural variation in the color, texture, veins and gloss levels due to the nature of the material. This variation is normal and not warrantable. Point teak outdoor furniture are designed for normal, outdoor use in a residential/commercial setting. However, all-natural teak products require periodic maintenance to preserve their natural beauty. This maintenance will help protect the surface from deterioration, staining, and in some cases cracking which can occur if left unsealed.

This warranty specifically does not cover scratching and chipping and that normally occurs in natural teak frames. Moisture can be absorbed into the wood, which is porous, which can then freeze and can cause the wood to crack. This is not covered by the warranty.
