Rausch: Platform Collection

Our Platform Collection from Rausch is made from the same material yacht designers use as well – fiberglass. Fast, light, flexible. Cool, straightforward, perpendicular and with an ultra-smooth surface.

Fiberglass

Fiberglass is a particularly valuable fibersynthetic-composite which is frequently used in boat building. Its advantage lies in the high breaking elongation and the elastic energy absorption. In PLATFORM the hard shell pigmented white with the high-tensile foam core is very noncorrosive. Fiberglass is easy to clean and care with customary products (dish soap, glass cleaner, car shampoo or GFK cleaner for yachts), however, by no means should any abrasive care products be used.

Cushions

Cushions enhance the comfort. Our highquality spinneret-dyed acrylic fabrics were specially equipped for the outdoor area. Please, see our price list for information on cuttings and custom-made designs. For a particularly precious appearance the cushions can also be made with a cord edge in a contrasting color against a surcharge (only lounge furniture). For all loungers (except SUNSET) a precisely fitting, semicircular neck pillow with tie strap is optionally available.

Platform Armless Right Facing Sofa VP-3

Platform Left Facing Sofa VP-1

Platform Right Facing Sofa VP-2

Platform Armless Left Facing Sofa VP-4

Platform as a single element or corner formation is also available with LED-lighting as an option. There is a master control unit (hidden) which has a remote control that can change the speed that the color of the LED lighting changes or can be programmed to have one constant color. The colors that the lights change to are White, Blue, Purple, Yellow, Red and Green.

Stacking Tables

Platform Sofa Table Stacked

** The couch tables shaped square or, alternatively, rectangular are deliverable in single-level or double-level versions.

Combinations

The above elements can only be combined in two different formations, VP-1 & VP-3 and VP-2 & VP-4. These formations are illustrated below.

KOMBINATION 1

- 28-100 VP-1
- 28-101 VP-1

- 28-100 VP-3
- 28-102 VP-3

KOMBINATION 2

- 28-100 VP-2
- 28-101 VP-2

- 28-100 VP-4
- 28-102 VP-4
